FOREWORD

This third annual traveling exhibition of selected work of the west is assembled by the Western Association of Art Museum Directors which includes the following centers:

BROADMOOR ART ACADEMY, COLORADO SPRINGS
CALIFORNIA STATE LIBRARY, SACRAMENTO
DENVER ART ASSOCIATION
FINE ARTS SOCIETY OF UTAH, SALT LAKE CITY
FRIENDS OF ART OF SAN DIEGO
GREEK THEATRE, UNIVERSITY OF CALIFORNIA
KANSAS CITY ART INSTITUTE
LOS ANGELES MUSEUM OF HISTORY, SCIENCE AND ART
MUSEUM OF NEW MEXICO, SANTA FE
OAKLAND ART GALLERY
PORTLAND ART ASSOCIATION
SAN DIEGO MUSEUM
SAN FRANCISCO MUSEUM OF ART
SEATTLE FINE ARTS SOCIETY

So much interest has been manifested in the two previous exhibitions that the Association feels greatly encouraged in again sending out on circuit what promises to be a collection of much higher standard than those previously shown. As in other years, each artist is represented by only one canvas, with the object of making the collection as representative as possible of our western art. It is sincerely hoped and believed that each successive showing of paintings by the Association will surpass the previous ones. The

chief functions of the Association are to further the interest of western art and artists by showing for comparative study in the various centers the best current work being produced west of the Mississippi, as well as to assist in bringing to the Pacific Coast eastern exhibitions of high standard. Owing to the great expense involved in assembling, transporting and insuring exhibitions of this nature over the long the distances in the west, it is hoped that all important centres in the region will render every aid to the Association through their support and co-operation.

For the first time the Western Association of Art Museum Directors is able to offer substantial purchase prizes. The Los Angeles Museum, through the interest of its Director, is this year offering a special purchase prize of One Thousand Dollars to be awarded in the Los Angeles Museum Gallery by a jury of three, approved by the officers of the Association, to the Western artist exhibiting the best oil painting in the Western Painters Exhibition. The painting receiving this purchase prize, after going on circuit, will be added to the Museum's permanent collection. A second purchase prize has also been arranged for by the Los Angeles District Federation of Womens' Clubs. This prize is to be awarded by a special jury from the women's clubs to one of the five best California pictures selected by the jury of awards for the exhibition.
